

Welcome to a new and exciting year at St. Rose High School. The 2020-2021 school year will truly be unlike any other. As we start this special year together during the daunting and uncertain time of the COVID-19 pandemic, please remember it is the mission of the St. Rose High School ("SRHS") PTA to create a positive sense of belonging and to promote the collaboration and engagement of students, parents and faculty.

This year will not be reflective of years past and we will have to adapt to meet the challenges ahead. The SRHS PTA is still planning a year of familiar events such as bagels and donuts for Student Appreciation Day, the Christmas Tree Lighting, the Baccalaureate Reception and so much more! We are working overtime to consider alternate scenarios for how these events may look depending on our ability to gather in person or in larger groups. We are open to everyone's ideas and suggestions and appreciate your willingness to adapt to ensure that we are still able to come together as a community and maintain some of the familiarity of long-standing St. Rose High School traditions.

Your membership in the SRHS PTA is a way that you contribute every year and we are appreciative of this contribution. Throughout the school year we will be running a variety of school fundraisers and events. We encourage you to participate in the fundraiser(s) that are a good fit for you and your family. The money we raise allows the SRHS PTA to offer so many memory making experiences for our students and allows for us to purchase items for our school.

Finally, I urge you to continue to look for ways to connect with each other, our students, and the school overall, as human connection will be even more important during these uncertain times. Your time, talent and participation is welcomed and needed. Please let us know if you are interested in participating at an event! Participation gives our members a chance to connect with fellow families, our students and staff and enjoy our community on a personal level.

We are looking forward to another fabulous year of supporting our students, faculty and administrators of St. Rose High School. We are open to new ideas to keep our community thriving. Please feel free to share your input or ask any questions that you may have by emailing Lisa Clayton at ptapres@srhsnj.com.

Wishing you all the best,

Lisa Clayton
