

Welcome to a new and exciting year at St. Rose High School. The St. Rose High School (“SRHS”) PTA extends a warm welcome to our new and returning families! As we begin the 2021-2022 school year, the SRHS PTA remains focused to create a positive sense of belonging and to promote the collaboration and engagement of students, parents and faculty. Our SRHS community is truly a special place where our students are recognized and celebrated for their strengths and are encouraged to grow and explore new things in a supportive, inclusive environment.

As we continue to learn and adjust to life during COVID, we are thankful, that with your support, many beloved events will return, and though they may look a little different, they will embody the best of St. Rose High School. We are working overtime to consider alternate scenarios for how these events may look and are open to everyone’s ideas and suggestions. We appreciate your willingness to adapt to ensure that we are still able to come together as a community and maintain some of the familiarity of long-standing St. Rose High School traditions.

Your membership in the SRHS PTA is a way that you contribute every year and we are appreciative of this contribution. Throughout the school year, we will be running a variety of school fundraisers and events. We encourage you to participate in the fundraiser(s) that are a good fit for you and your family. The money we raise allows the SRHS PTA to offer memory-making experiences for our students and allows us to purchase items for our school.

Finally, I urge you to continue to look for ways to connect with each other, our students, and the school overall, as human connection will be even more important during these uncertain times. Your time, talent and participation is welcomed and needed. Please let us know if you are interested in participating at an event! Participation gives our members a chance to connect with fellow families, our students and staff and enjoy our community on a personal level.

We are looking forward to another fabulous year of supporting our students, faculty and administrators of St. Rose High School. We are open to new ideas to keep our community thriving. Please feel free to share your input or ask any questions that you may have by emailing Lisa Clayton at [ptapres@srhsnj.com](mailto:ptapres@srhsnj.com).

Wishing you all the best,

*Lisa Clayton*
